

South Dartmoor Sixth Form Bring Your Own Device Wireless Network Access Agreement

Filtered Internet wireless service is provided for use by South Dartmoor College staff members, students and guests only. Students, staff and guests are expected to act in a professional, responsible, ethical and legal manner when utilizing the South Dartmoor College Wireless Network. Users must agree to the South Dartmoor College terms listed below:

1. South Dartmoor College makes no warranties of any kind, whether express or implied, for the network or technology services provided. The college is not responsible for any damages incurred including loss of data resulting from data delivery delays, missed deliveries, or financial obligations incurred through the use of Internet websites. Use of any information obtained through the Wireless Network is at the user's risk. The college disclaims responsibility for the accuracy or quality of information obtained through the Internet or other forms of electronic communication.
2. South Dartmoor College will not be held responsible for any physical damage, loss or theft of personal devices or for data loss. The college is not responsible for providing power to personal devices on the Wireless Network.
3. South Dartmoor Colleges Wireless Network will provide filtered Internet access only. No access to internal-only college printers, servers or services is provided.
4. South Dartmoor College filters, logs and monitors access to the Internet and blocks offensive, obscene, and inappropriate images and content including pornography.
5. The College reserves the right to log, monitor and review all activities on the South Dartmoor Wireless Network.
6. South Dartmoor College reserves the right to inspect, at any time, any personally owned device while connected to the Wireless Network.
7. Student use of personal electronic devices in the classroom setting will be at the discretion of the classroom teacher and building principal.
8. South Dartmoor College does not provide technical support for staff, student or guest personal devices on the South Dartmoor College Wireless Network.
9. Illegal use of the South Dartmoor College Wireless Network, intentional deletion or damage to files or data belonging to others, copyright violations or theft of services may be reported to the appropriate legal authorities for possible prosecution.
10. Violation of any of the above terms or to the provisions in the South Dartmoor College Acceptable and Responsible Use of Network Resources policy will result in the suspension or termination of a user's privilege to technology resources, a restriction of the users privileges and a withdraw of privileges to the South Dartmoor College Wireless Network. Staff and students should understand that if they commit any violation of this policy, their access privileges will be suspended or revoked, disciplinary action will be taken, and/or appropriate legal action may be instituted.
11. All mobile devices used with the South Dartmoor BYOD wireless network should be updated with the latest security updates and patches. All Windows devices should have appropriate anti-virus software installed, running and up to date. Failure to do this will put the user and other user's devices at risk and cause potential denial of access to the network.
